Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

The **Ministry of Health** received your request for access to information under FOIPPA on February 19, 2019. We understand your request to be for:

We will make every effort to respond to your request by **April 2, 2019**. We will notify you as soon as possible if there is a need to extend the time limit for responding to your request.

Please note that this is an acknowledgement of your request and that an assessment of potential fees specific to your request has not been made at this time. FOIPPA allows that we may charge a fee for certain limited costs of providing you with the requested information, such as locating, retrieving and copying a large volume of records. In the event that there is a fee associated with your request, you will be contacted at a later date with a fee estimate.
